

A trip around  
the imperial  
temples

**Kyoto  
Sennyu-ji  
Temple**  
Special visiting with  
a monk at closed  
cultural properties

- \* See the service performed by monks
- \* Incense experience
- \* Write your wishes on special strips
- \* Listening to a Buddhist priest's sutra
- \* Try shabutsu
- \* View the garden
- \* Guide to each location of the temple

At Sennyu-ji Temple, the only imperial family temple in Japan, you will be able to observe a priest's service, which even Japanese rarely have a chance to see. This tour includes a visit to the hall, which is usually closed to the public, and is a unique experience.

This tour is guided by the monks with an interpreter guide.
